Corkscrew Regional
Ecosystem Watershed

The CREW Land & Water Trust

- **Our Mission:** We are a private, non-profit organization dedicated to preserving the land and water resources in and around the **Corkscrew Regional Ecosystem Watershed**.
- Established in 1989 as a public/private partnership to coordinate the land acquisition, management, and public outreach for this 60,000 acre project.
- **25 Years** of dedication to the CREW Project & partnering with the SFWMD.
