

Central Florida water supply transmission and delivery plan

SFWMD Governing Board Meeting
Presented by Dean Powell

February 14, 2013

Central Florida water supply transmission and Delivery Plan

- Contract with Toho Water Authority as agent for Water Cooperative of Central Florida
- Required by settlement agreements resulting from administrative challenge to permit denial
- Will evaluate utility interconnections, operations, and transmission and distribution systems
- District share \$465,000 out of \$1,123,692
- Other funding partners – Toho Water Authority, City of Saint Cloud, Orange County, Polk County, and Reedy Creek Improvement District

Resolution No. 2013 - 0209

- A Resolution of the Governing Board of the South Florida Water Management District to authorize entering into a one-year cooperative agreement with the Tohopekaliga Water Authority, as agent of the Water Cooperative of Central Florida; providing for financial assistance to develop a water supply transmission and distribution plan and satisfying requirements set forth in settlement agreements with Orange County and the City of Saint Cloud and providing for a conceptual design for the transmission and distribution of water from the Cypress Lakes Wellfield to several cooperating utilities; in the amount of \$465,000 for which ad valorem funds are budgeted; providing an effective date.
