Project Location

Project Description

- Installation of 49 Diesel Oxidation Catalyst (DOC) units in the exhaust systems of the main pump engines at 13 pump stations
- Structural platforms and data loggers
- Requirement of EPA due to the new air quality regulations
- Affected pump stations:
S-2, S-3, S-4, S-5A, S-7, S-8,
S-319, S-362, G-310, G-335,
G-370, G-372, and G-404.

Resolution

A Resolution of the Governing Board of the South Florida Water Management District to authorize entering into a 270-day contract with AARYA Construction & Design, Inc., the lowest responsive and responsible bidder, for the Diesel Oxidation Catalyst Installation – C&SF (Fairbanks-Morse), in the amount of \$1,028,900, for which ad valorem funds of \$221,324 are budgeted and the remainder is subject to Governing Board approval of the FY13 budget; providing an effective date. (Contract Number 4600002678) (Courtney Page, ext. 2632)

Resolution

A Resolution of the Governing Board of the South Florida Water Management District to authorize entering into a 270-day contract with AARYA Construction & Design, Inc., the lowest responsive and responsible bidder, for the Diesel Oxidation Catalyst Installation – STA, in the amount of \$1,216,000, for which dedicated ad valorem funds of \$147,813 are budgeted and the remainder is subject to Governing Board approval of the FY13 budget; providing an effective date. (Contract Number 4600002679) (Courtney Page, ext. 2632)
