Re: Public Records Request Concerning the Purchase by the South Florida Water Management District of U.S. Sugar Corporation Dear Public Records Officer: Pursuant to Section 119.07, Florida Statutes, I hereby request the opportunity to inspect and copy any and all public records, as defined by Section 119.011(11), Florida Statutes, created, received or modified by or distributed through the South Florida Water Management District and/or any officer, employee, agent, department, division, section or subdivision of the South Florida Water Management District (the "SFWMD"), regarding or in any way related to the proposed purchase of U.S. Sugar Corporation ("USSC") by the SFWMD. For the purposes of this public records request, "regarding or in any way related to the proposed purchase of U.S. Sugar Corporation by the SFWMD" shall be construed as expansively as possible to capture the greatest number of records, including but not limited to records generated in negotiations with USSC prior to formulation of the concept of the complete purchase of USSC. Public records provided in response to this request shall include all public records available to SFWMD, wherever located. If the SFWMD believes any of the public records requested herein are protected from inspection and copying for whatever reason, SFWMD shall expressly and specifically identify the public records withheld from inspection, and the legal and factual basis for the SFWMD's refusal to permit inspection and copying of the public record, at the time other public records are made available. Please contact me by the close of business on Wednesday, July 16, 2008, to discuss when I may expect fulfillment of my request, and payment of any statutorily prescribed fees. Thank you for your prompt attention to this matter.

Sincerely, Jean Mignolet
