Subject: Public records request - URGENT

Donna & Randy,

I am told that all the language of the contract that the South Florida Water Management District is entering into with U.S. Sugar Corp. for the purchase of the company's land is now finalized and is merely waiting for votes from the USSC and SFWMD boards.

I am requesting that a copy of the contract be made available immediately, per the requirements of the sunshine law.

Even if the contract remains in 'draft' form, I would request that the draft be made available immediately, also per sunshine law requirements.

If you refuse to provide this information, Chapter 119 requires you advise me in writing and indicate the applicable exemption to the Public Records Act. Also, please state with particularity the reasons for your decision, as required by Section 119.07(2)(a). If the exemption you are claiming only applies to a portion of the records, please delete that portion and provide photocopies of the remainder of the records, according to Section 119.07(2)(a).

I agree to pay the actual cost of duplication as defined in Section 119.07(1)(a). However, if you anticipate that in order to satisfy this request, "extensive use" of information technology resources or extensive clerical or supervisory assistance as defined in Section 119.07(1)(b) will be required, please provide a written estimate and justification.

I request these records be available by immediately. If you have any questions or need more information in order to expedite this request, please call me at 561-801-0945.

Sincerely,
Paul Quinlan
