1/15/09

To: Donna Kramer, public records coordinator for the South Florida Water Management District  
FROM: Andy Reid, reporter for the Sun Sentinel

Under the Florida public records law, please provide me with copies of all e-mail, letters, memos, reports and any other records about the proposed U.S. Sugar buyout deal sent to and from representatives of the South Florida Water Management District since Nov. 1, 2008.

Please provide electronic copies of the e-mail. If available, please provide the other correspondence electronically as well. If saved as PST files, please select a version compatible with Microsoft Outlook 2000.

If you believe any of the information is exempt from public release, please state specifically in writing those portions that you

believe apply and cite the particular exemption in law.

If you anticipate that in order to satisfy this request, "extensive use" of information technology resources will be required, please provide a written estimate and justification.

Also, if there is a cost associated with meeting this request, please provide an estimate before proceeding with making copies.

Feel free to contact me if you have any questions.

Thank you for your help,

Andy Reid
