**Subject:** Re reading administrative petitions etc

Donna,

Two administrative petitions have been filed asking for a hearing on the "River of GRass" initiative. New Hope Sugar and Okeelanta Corp filed and was denied with leave to amend. If that amended petition has come in, it has not been posted, but I would like to read it.

The Miccosukee Indian tribe also filed, and was denied. That order was not posted but I would like to read it, and if the Tribe has since amended and refiled I would like to read the amendment.

Do I come over to read in your office? Or do I go through Jacki McGorty? If today is too late, can I come on Friday.
